

## **connecting - developing - supporting - rewarding**

The Approved Brokers Community of Practice CIC (ABC of P) is a Scotland-wide practice and membership organisation for people working in and around community brokerage.

Set up in 2021 our aim is to help improve the quality of community brokerage available to the supported people that access it.

We provide opportunities and information about community brokerage, support planning and self-directed support.

Our membership is open to people working in community brokerage. Membership enables us to support brokers to continue to grow in their confidence, knowledge, practice, and skills.
